

BDIAP/PATH SOC JOINT MEETING

We would really appreciate a short report of your attendance at the above meeting. These awards have been made available to you through the generosity of the membership of the British Division of the International Academy of Pathology (BDIAP).

The report that you write following completion of your attendance at the Joint Meeting, is very important to the BDIAP as they inform the membership of the bursaries that are awarded and the outcome of the awards. Knowing how you benefit from the bursary ensures that we continue to make them available for future trainees, allied scientists and BDIAP Schools. It also helps inform us in the organisation of future meetings.

We would therefore be most grateful if you could please send your report along the lines of the skeleton provided below. **A paragraph of A4 would be perfect.**
