

GDIAP/BDIAP International Junior Academy Summer School

All bursary recipients are required to submit a short report on completion of the summer school.

We would really appreciate a short report of your attendance at the above meeting. These awards have been made available to you through the generosity of the membership of the British Division of the International Academy of Pathology (BDIAP).

The report that you write following completion of your attendance at the Summer School, is very important to the BDIAP as they inform the membership of the bursaries that are awarded and the outcome of the awards. It also helps inform us in the organisation of future meetings. We would therefore be most grateful if you could please send your report along the lines of the skeleton provided below. **A paragraph of A4 would be perfect.**

Please feel free to illustrate your report with photographs (seeking consent from any colleagues who may be in the photograph). The report will be made available on the BDIAP website and circulated to BDIAP members via an e-newsletter.
