

Joint BDIAP- ABP Symposium on Breast Pathology

These awards have been made available to you through the generosity of the membership of the British Division of the International Academy of Pathology (BDIAP). A condition of the bursary is a short report of your experience of attending the meeting.

The report that you write following completion of your attendance at the symposium is very important to the BDIAP as they inform the membership of the bursaries that are awarded and the outcome of the awards. Knowing how you benefit from the bursary ensures that we continue to make them available for future trainees. It also helps inform us on the organisation of future meetings.

We would therefore be most grateful if you could please send your report along the lines of the skeleton provided below. This is a guideline and you do not have to respond to all the questions. Please feel free to highlight any aspect of the symposium you particularly wish to. Please also comment on the networking opportunities that were/ were not available to you.

- Name
- Training year: ST if based in the UK.
- Why did you want to attend this symposium?
- Did the symposium meet your expectations?
- Do you feel more confident in your knowledge / understanding of Breast Pathology following attendance at the symposium?
- Highlight aspects of Breast Pathology that you have learnt from the symposium which you were not aware of prior to the day.
- Are there any aspects of what you have learnt during the symposium that you would consider incorporating into your own practice?
- Finally, would you recommend this symposium to your colleagues?

If you have any problems, please feel free to contact the BDIAP for direction/assistance. You can reach us by email - education@bdiap.org or membership@bdiap.org.
