

BDIAP BITESIZE VIRTUAL WORKSHOP SERIES

PROF STEFAN DOJCINOV

COMMON DIFFERENTIAL DIAGNOSES IN LYMPHOPROLIFERATIVE PATHOLOGY

20th MARCH 2025

15.00 - 17.00

The BDIAP Virtual Workshop series is designed to connect trainees and consultants with **world-renowned histopathologists** through interactive educational slide seminars

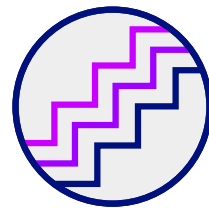

Professor Stefan Dojcinov is a Consultant Pathologist and Professor of Pathology at Swansea Bay University Health Board and Swansea University. He has developed expertise in haematopathology as a Research Fellow of Dr Elaine Jaffe at the National Institutes of Health in Bethesda, USA. He served as both Secretary and subsequently as Chair of the British Lymphoma Group and he holds the position of Haematopathology Subspecialty Advisor at the Royal College of Pathologists. He is currently the Chair of the Engagement and Communication Subcommittee at the British Division of the International Academy of Pathology. He has authored more than 90 peer reviewed publications and contributed to the RCPATH guidelines as well as to the WHO and International Consensus Classifications. He is a keen educator and regular invited speaker at courses and international meetings across the world.

Interactive case-based discussion centred around digital slides

Contribute your thoughts; ask and answer questions throughout the session

Cases perfectly suited to trainees in histopathology (ST2-5+). Consultants also invited to attend.

REGISTRATION FREE FOR BDIAP MEMBERS

£12 For Non-BDIAP Members (or join the BDIAP today!)
