

BDIAP BITESIZE VIRTUAL WORKSHOP SERIES

PROF. NEIL SHEPHERD

POLYPS OF THE GASTROINTESTINAL TRACT

6th APRIL 2023

15.30 - 17.00

The BDIAP Virtual Workshop series is designed to connect trainees with **world-renowned histopathologists** through interactive educational slide seminars

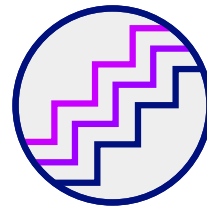

Professor Neil Shepherd is Professor of Gastrointestinal (GI) Pathology at Gloucestershire Cellular Pathology Laboratory, based in Cheltenham, Gloucestershire, UK. He is a specialised GI pathologist and has, and has had, wide-ranging involvement in national and international GI pathological education, training, research, audit, publishing and service provision. He has given more than 150 invited lectures at national & international symposia on GI pathology. He is Editor of Morson & Dawson's Gastrointestinal Pathology, the flagship UK textbook of GI pathology and Associate Editor for GI pathology for Histopathology, the leading UK journal for Cellular Pathology. He has written seven other books, 40 chapters & more than 200 original articles & reviews. He is a past President, former General Secretary and current Councillor of the British Division of the International Academy of Pathology.

Interactive case-based discussion centred around digital slide sets

Contribute your thoughts; ask and answer questions throughout the session

Cases perfectly suited to trainees in histopathology (ST2-5+). Early consultants also invited to attend.

REGISTRATION FREE FOR BDIAP MEMBERS

£12 For Non-BDIAP Members (or join the BDIAP today!)
